

ONESOURCE Corporate Tax: Tax Accounting IFRS/FRS101 (OCT- F101)

THOMSON REUTERS

Classroom/Live Remote Workshop
Version 1.0

Course Description

This follow-on course considers the main aspects of the Corporate Tax 'I' Sheets in preparing tax accounting disclosures under IFRS/FRS101, at both Company and Group level. The various sheets and topics (as listed below) are discussed, with hands-on exercises to ensure the practical application is understood.

Learning is via a mixture of discussion, demonstration and plenty of hands-on for all participants. We encourage people to contribute to the discussions with their own experiences.

Note that the course concentrates on using the ONESOURCE Corporate Tax application and does not provide details of tax technology or law.
