# Statutory Reporting
Super User - Legacy

Version 1.2

Description

This course builds on the essential skills learned in the ONESOURCE Statutory Reporting Basic User – Legacy course. It covers some of the standard advanced features concentrating on aspects of the software that are normally configured to meet the requirements of individual clients. The course uses hands-on exercises to reinforce key concepts.

Objectives

Upon successful completion of this course, attendees will be able to:

- Manage Users and User Security configuration
- Set up the Spell-check Library
- Manage warnings (iXBRL and reports)
- Manage categories
- Manage templates
- Manage Roll forward
- Customize Smart tables
